Get your
STUDENTS
involved in a
**Community
Service Project**

Would you like to get your students involved with a Community Service Project, as well as learn the importance of helping others?

HERE'S A GREAT OPPORTUNITY!

October is Blindness Awareness Month!

Come join us as we increase **Awareness about Blindness.**

For every \$1.00 donation received,
each child will receive a
Little Rock Foundation Information Card
and a Lapel Pin.

For further information regarding this wonderful opportunity,
please contact Debbie Nichols at dnichols@tlrf.org or call 877-220-2500.

The Little Rock Foundation will incur the cost of shipping the cards and pins directly to your school.
